

TARGETED CITY ACTIONS

Nador an Active City for Living Together

Promoting Inclusion and Interculturality

OBJECTIVE

The objective of this action is to contribute to the development of social and sustainable cities in Morocco, through promoting inclusive discourse on migration and encouraging dialogue, mutual understanding and participative democracy in the city of Nador.

ACTIVITIES

- Conduct 3 training workshops for teachers to promote inclusion and interculturality;
- Organise interactive exhibitions for students to foster creative thinking and problem solving skills;
- Form 'Nador Children Municipal Council' as an experience of participatory democracy and develop its action plan;
- Transfer the experience of the 'Nador Children Municipal Council' to the Municipality of Oujda;

OUTCOMES

- Improved perception on otherness, inclusion and interculturality in the city of Nador;
- Showcased positive and intercultural values;
- Integrated values and a human-rights approach into municipal action plans on migration;
