Article 1  Order of precedence of Contract/purchase order documents

1.1. The order of precedence of the Contract/purchase order documents shall be stated in the Contract.

Article 2  Subcontracting

2.1. A subcontract/purchase order must be made by written agreement between the Contractor and the third party and requires the prior written consent of ICMPD. The Contractor shall ensure that they are not subject to early detection and exclusion systems and that the eligibility criteria applicable to the Award of contracts are fulfilled.

2.2. The Contractor shall send a request determining the elements of the subcontract/purchase order and the identity of the Subcontractor. Within 30 days of the receipt of the request, ICMPD shall provide a written statement declaring its consent or stating the reasons for withholding its consent. ICMPD may extend the deadline by 15 days. If ICMPD does not provide a written statement, the subcontract/purchase order shall be deemed accepted.

2.3. No subcontract/purchase order creates contractual relations between ICMPD and the Subcontractor.

2.4. The Subcontractor shall be responsible for all acts, defaults and negligence of its Subcontractors and their agents or employees, as if they were the acts, defaults or negligence of the Contractor, its agents or employees. The approval by ICMPD of the subcontracting of any part of the Contract/purchase order or of the Subcontractor to perform any part of the tasks shall not relieve the Contractor of any of its obligations under the Contract.

2.5. If a Subcontractor has undertaken any continuing obligation extending for a Period exceeding that of the warranty Period under the Contract/purchase order towards the Contractor in respect of the Supplies/services provided by the Subcontractor, the Contractor must, at any time after the expiration of the warranty Period, transfer to ICMPD the benefit of such obligation for the unexpired duration thereof within 7 days.

2.6. If a Subcontractor is found by ICMPD to be incompetent in discharging its duties, ICMPD may request the Contractor to forthwith remove the Subcontractor from the site and either provide a Subcontractor as replacement with qualifications and experience acceptable to ICMPD, subject to consent pursuant to Articles 2.1 and 2.2 or to conclude the Contract/purchase order without Subcontractors.

2.7. Subcontractors shall satisfy the eligibility criteria applicable to the award of the contract. They shall not fall under the exclusion criteria described in the Request for Quotation and the contractor shall ensure that they are not subject to EU (or ICMPD donor’s) restrictive measures.

2.8. Those services entrusted to a subcontractor by the Contractor shall not be entrusted to third parties by the subcontractor, unless otherwise agreed by ICMPD.

Article 3  Supply of documents

3.1. Save where otherwise provided in the Contract, within 30 days of the signing of the Contract, ICMPD shall provide the Contractor, free of charge, with a copy of the Drawings prepared for the implementation of the tasks and a copy of the specifications and other Contract/purchase order documents. Additional copies may be requested at Contractors’ expense subject to their availability. Upon final acceptance, the Contractor shall return to ICMPD all Drawings, specifications and other Contract/purchase order documents.

3.2. ICMPD co-operates with the Contractor to provide information that the latter may reasonably request in order to perform the Contract.

3.3. Unless it is necessary for the purposes of the Contract, the Drawings, specifications and other documents provided by ICMPD shall not be used or communicated to a third party by the Contractor without the prior consent of ICMPD.

3.4. ICMPD shall issue to the Contractor administrative orders incorporating such supplementary documents and instructions as are necessary for the proper execution of the Contract/purchase order and the remedying of any defects therein.

3.5. The Contract/Purchase Order must indicate the procedure used, if necessary, by ICMPD to approve drawings and other documents provided by the contractor.

Article 4  Assistance with Local Regulations

4.1. The Contractor may request the assistance of ICMPD in obtaining copies of laws, regulations and information on local customs, orders or by-laws of the country where the Supplies are to be delivered which may affect the Contractor in the performance of its obligations under the Contract. ICMPD may provide the assistance requested to the Contractor at the Contractor’s cost.

4.2. The Contractor shall obtain the requisite permits or import licences. ICMPD can provide assistance in terms of providing the contractor with necessary documentation, information on the request by the Contractor.

4.3. The Contractor shall obtain, in accordance with the Contract/Purchase Order, the required permits or import licences within a reasonable period, taking account of the implementation dates for the tasks.

4.4. Subject to the provisions of the laws and regulations on foreign labour of the country in which the Supplies/Services are to be delivered, ICMPD provides reasonable assistance to the Contractor to be at its request, for the preparation of all visas and permits required by the law of the country in which the Supplies/Services are to be delivered/ renders, including work and residence permits for the personnel whose Services the Contractor and ICMPD consider necessary, as well as residence permits for their families.

10.2. Liabilities

The liability rules described below are without prejudice to the possible application of international conventions on the carriage of Supplies.

Without prejudice to Article 25 (force majeure), the Contractor shall assume (i) full responsibility for maintaining the integrity of the Supplies and (ii) the risk of loss and damage, whatever their cause, until the warranty Period.

Compensation for damage to the Supplies resulting from the Contractor’s liability in respect of ICMPD is capped at the Contract/purchase order value plus 20% (twenty percent). If, in accordance with this Article ICMPD imposes penalties on the Contractor, such penalties shall amount zero point one percent (0.1%) of the total Contract price for each Day the Service/Supplies are delayed.

However, compensation for loss or damage resulting from fraud or gross negligence of the Contractor, its Staff, its Subcontractors and any person for which the Contractor is answerable, can in no case be capped.

(b) Liability for damage to Services

Compensation for damage to the Services resulting from the Contractor’s liability in respect of ICMPD is capped at the Contract/purchase order value plus 20% (twenty percent). If, in accordance with this Article ICMPD imposes penalties on the Contractor, such penalties shall amount zero point one percent (0.1%) of the total Contract price for each Day the Service/Supplies are delayed.

However, compensation for loss or damage resulting from fraud or gross negligence of the Contractor, its Staff, its Subcontractors and any person for which the Contractor is answerable, can in no case be capped.

The Contractor shall remain responsible for any breach of its obligations under the Contract/purchase order for such Period after the Services have been performed as may be determined by the law governing the Contract, even after approval of the reports and documents, or by default for a Period of 10years.

(c) Contractor’s liability for damage suffered by ICMPD

At any time, the Contractor shall be responsible for and shall compensate ICMPD for any damage caused to ICMPD by the Contractor, its Staff, its Subcontractors and any person for which the Contractor is answerable.

Compensation for damage suffered by ICMPD is capped at the Contract/purchase order value plus 20% (twenty percent).

However, compensation for loss or damage resulting from the Contractor’s liability in case of bodily injury, including death, can in no case be capped. The same applies to compensation for any damages of any kind resulting from fraud or gross negligence of the Contractor, its Staff, its Subcontractors and any person for which the Contractor is answerable.
10.3. Insurance

a) Insurance – general issues
At the latest together with the return of the countersigned Contract, and for the Period of implementation of the tasks, the Contractor shall ensure that itself, its Staff, its Subcontractors and any person for which the Contractor is answerable, are adequately insured with insurance companies recognized on the international insurance market, unless ICMPD has given its express written consent on a specific insurance company.

At the latest together with the return of the countersigned Contract, the Contractor shall provide ICMPD with all cover notes and/or certificates of insurance showing that the Contractor’s obligations relating to insurance are fully respected. The Contractor shall submit without delay, whenever ICMPD so requests, an updated version of the cover notes and/or certificates of insurance.

The Contractor shall obtain from the insurers that they commit to personally and directly inform ICMPD of any event likely to reduce, cancel or alter in any manner whatsoever, that coverage. The Contractor shall deliver this information as quickly as possible, and in any event at least thirty (30) days before the reduction, cancellation or alteration of the cover is effective. ICMPD reserves the right to indemnify the insurer in case the Contractor fails to pay the premium, without prejudice to ICMPD’s right to recover the amount of the premium it paid, and to subsequently seek compensation for its possible resulting damage.

Whenever possible, the Contractor shall ensure that the subscribed insurance contracts contain a waiver of recourse in favour of ICMPD, its agents and employees.

The purchase of adequate insurances by the Contractor shall in no case exempt it from its statutory and/or contractual liabilities.

The Contractor shall fully bear the consequences of a total or partial lack of coverage, and to the full discharge of ICMPD.

The Contractor shall ensure that its Staff, its Subcontractors and any person for which the Contractor is answerable comply with the same insurance requirements imposed to it under this Contract. In case of default of insurance or inadequate insurance of its Staff, its Subcontractors or any person for which the Contractor is answerable, the Contractor shall indemnify ICMPD from all consequences resulting therefrom.

Under its own responsibility and without prejudice to the obligation to take out all insurance covering its obligations under this Contract, the Contractor shall ensure that all contracts of insurance are subscribed in compliance with the laws and regulations in force in the country in which the duties are to be performed. It shall also ensure that all possible statutory obligations applying to the coverage are complied with. ICMPD shall not bear any liability for the assessment and adequacy of insurance policies taken out by the Contractor with its contractual and/or statutory obligations.

b) Insurance – specific issues
The Contractor shall take out all insurance necessary to cover its liability, both with regard to its professional liability and its liability as provided under Article 10.2. The Contractor shall in particular subscribe a products- and after-delivery insurance.

Depending on the nature of the Contractor’s obligations, ICMPD may require that the carriage of Supplies be covered by a ‘transportation’ insurance policy; the conditions of which may be specified in the Contract, which may also specify other types of insurance to be taken out by the Contractor. This insurance shall in particular cover the loading, intermediate storage, unloading, including storage and protection, if such operations are included in the Contract.

The Contractor shall ensure that its Staff, its Staff, its Subcontractors and any person for which the Contractor is answerable, are covered by an insurance policy covering, in addition to the possible intervention of any statutory insurance:

i. all medical expenses, including hospital expenses;
ii. the full cost of repatriation in case of illness, accident, or in the event of death by disease or accident;
iii. accidental death or permanent disability resulting from bodily injury incurred in connection with the Contract.

In the absence of adequate benefit of the Contractor itself, its Staff, its Subcontractors and any person for which the Contractor is answerable. This bearing of the costs by ICMPD shall be subsidiary and may be claimed against the Contractor, its Subcontractors and any person who should have taken out this insurance, without prejudice to the compensation of ICMPD’s possibly resulting damage.

The Contractor shall take out insurance policies providing coverage of the Contractor itself, its Staff, its Subcontractors and any person for which the Contractor is answerable, in case of damage to the workforce or on the way to work. It shall ensure that its Subcontractors do the same. It indemnifies ICMPD against any claims that its employees or those of its Subcontractors could have in this regard. For its permanent expatriate Staff, where appropriate, the Contractor shall in addition comply with the laws and regulations applicable in the country of origin.

The Contractor shall also ensure the personal effects of its employees, Experts and their families located in the partner country against loss or damage.

10.4. Security arrangements

If ICMPD or the Contractor becomes aware of an imminent threat to the life or health of any of its employees, Experts or their families, the Contractor shall take immediate emergency action to remove the individuals concerned to safety. If the Contractor takes such action, he must communicate this immediately to ICMPD and this may lead to suspension of the Contract.

11.2. The ownership of all the results or rights thereon as listed in the Technical Specifications/Terms of Reference/Request for Quotation attached to the Contract/Purchase Order, including copyright and other intellectual or industrial property rights, and all technological solutions and information embodied therein, obtained in performance of the Contract, shall be irrevocably and fully vested to ICMPD from the moment these results or rights are delivered to it and accepted by it. ICMPD may use them as it sees fit and in particular may store, modify, translate, display, reproduce, publish or communicate by any medium, as well as, assign, transfer them as it sees fit.

11.3. For the avoidance of doubt and where applicable, any such vesting of rights is also deemed to constitute an effective transfer of the rights from the Contractor to ICMPD.

11.4. The above vesting of rights in ICMPD under this Contract/purchase order covers all territories worldwide and is valid for the whole duration of intellectual or industrial property rights protection, unless stipulated otherwise by ICMPD and the Contractor.

11.5. The above vesting of rights shall ensure that delivered results are free of rights or claims from third parties included in relation to pre-existing rights, for any use envisaged by ICMPD. If ICMPD so requires, the Contractor shall provide exhaustive proof of ownership or rights to use all necessary rights, as well as, all relevant agreements of the creator(s).

11.6. All reports and data such as maps, diagrams, Drawings, specifications, plans, statistics, computations, databases format and data, software and any supporting records or materials acquired, compiled or prepared by the Contractor in the performance of the Contract, as well as, any outcome of the implementation of the Contract, shall be the absolute property of ICMPD unless otherwise specified. The Contractor shall, upon completion of the Contract, deliver all such documents and data to ICMPD. The Contractor must not retain copies of such documents and data and must not use them for purposes unrelated to the Contract/purchase order without the prior consent of ICMPD.

11.7. The Contractor shall not publish articles relating to the Services or refer to them when carrying out any Services for others, or divulge information obtained by the Contractor in the course of the Contract/purchase order for purposes other than its performance, without the prior consent of ICMPD.

11.8. By delivering the results, the Contractor warrants that the above transfer of rights does not violate any law or infringe any rights of others and that it possesses the relevant rights or powers to execute the transfer. Such licence shall carry the right to grant sub-licences and shall be transferable by ICMPD to third parties without the consent of the Contractor being required. All industrial, intellectual and other property rights (including but not limited to patent rights and copyright) developed in connection with the tasks by or on behalf of ICMPD, including but not limited to any rights in any documents prepared for the purpose of the Contract/purchase order or the tasks, shall remain vested in ICMPD but the Contractor shall have at its cost to pay, use and obtain communication of these documents for the purpose of the Contract.
