Supply of IT equipment in the scope of the Border Management Programme for the Maghreb Region (BMP-Maghreb) – Moroccan component

Identification number: ICMPD/19.013/SUP/BMP/ITE/MOR

CLARIFICATION N°4

Updated 17/12/2019

The ICMPD would like to confirm the following update in the tender dossier documents:

- Technical Specifications, English and French versions. Changes are highlighted throughout the files.

The ICMPD would like to inform the business community about the following corrections on three clarification questions and answers previously published under clarification no 2:

**Question 12:**
In lot 1, item 1, is equipment to be charged in the suitcase?

**Answer 12:**
No, the suitcase does not include the H/W but has to able to carry as a minimum (Laptop, cardreader, Onduleur, Fingerprint reader).

**The New correct reply 12 should read:**
No, the suitcase does not include the H/W but has to be able to carry the following equipment: Laptop (lot 6 item), 10-digit fingerprinting scanner CS500e (lot 3 item 2) and uninterruptible power supply (lot 5 item 1).
**Question 101:**
In Lot 1, item 1, you have requested “suitcase: PORTABLE UNIT”.
- Please confirm if you need the laptop, scanners, printer, bar code reader and camera to be included in the suitcase or please indicate which of the requested items from Lot 1 to Lot 9 are intended to be installed inside the suitcase.

**Reply 101:**
- No the Lot 1 Item 1 only concern the suitcase, but one suitcase is a specific one that should be able to carry a complete registration system: Lot 2 Item 1 & 2 + Lot 3 Item 1 & 2 + Lot 4 Item 1 & 2 & 4 & 5 + Lot 5 Item 1 + Lot 6 Item 1 + Lot 8 Item 1

*The New correct reply 101 should read:*
- No the Lot 1 Item 1 only concerns the suitcase, but one suitcase is a specific one that should be able to carry: Laptop (lot 6 item), 10-digit fingerprinting scanner CS500e (lot 3 item 2) and uninterruptible power supply (lot 5 item 1).

**Question 104:**
In Lot 3, items 1,3 and 6, you have requested “SINGLE-DIGIT FINGERPRINT SCANNER”, and items 1,4 and 7 you have requested “TEN-DIGIT FINGERPRINT SCANNER” both with different quantities but they have almost the same required specifications.

- Can you please just confirm that you require the same model to be provided for the whole quantity, if not, please provide us with a differentiation between the required models if any.

- Please confirm for items 1,3 and 6, if it’s acceptable to offer a finger print scanner with 53x110x30mm instead of 95x50x69mm

- Please confirm for items1,4 and 7 if it’s acceptable to offer a finger print scanner with 138x160x160mm instead of 150 x 152 x 120.5 mm.

**Reply 104:**
- Indeed, the items 1/3/6 and 2/4/7 are almost identical. Nevertheless, there is a minor difference in the specification between the items, but if you consider that one model is compliant with all items then feel free to group the items

- Yes it is acceptable if the size is 53x110x30

- Yes it is acceptable if the size is 138x160x160

*The New correct reply 104 should read:*
For lot 3, items 1,3 and 6 the following is requested: SINGLE-DIGIT FINGERPRINT SCANNER: CSD 330 Cogent or Cogent Fingerprint CSD 200i.

For lot 3, items 2, 4 and 7 the following is requested: TEN-DIGIT FINGERPRINT SCANNER: CS500e Cogent
