CLARIFICATION N°2

Published on 19.05.2020

The following questions of general interest to all prospective tenderers have been raised in the course of the tender procedure.

Question 1:

Will you accept accompanying documents (like confirmation about social fees) in original language which is different than English or French?

Answer 1:

Yes, however, if this supporting documentation is not written in one of the official languages of the European Union, a translation into the languages of the call for tender must be attached. Where the documents are in an official language of the European Union other than English or French, it is strongly recommended to provide a translation into English or French, to facilitate evaluation of the documents.

Question 2:

Your document 7.2. Tender Guarantee has a sentence, which is in our opinion not finished and shows following:

The law applicable to this guarantee shall be that of [if the contracting authority is the European]

Could you please confirm that in this place country of tenderer should be inserted or explain what is here expected?

Answer 2:

The law applicable to this guarantee shall be that of the contracting authority (ICMPD).
**Question 3:**

We understand that 7. Model Performance Guarantee and 7.1. Pre-Financing Guarantee Form should first be delivered after contract award. Please confirm or correct our assumption.

**Answer 1:**

The pre-financing guarantee and Performance Guarantee shall be delivered together with the countersigned contract only by the successful tenderer(s) and upon the request of pre-financing of 40% of the contract value.
