The following questions of general interest to all prospective tenderers have been raised in the course of the tender procedure.

**Question 1: Radio Configuration**
Does the contender need to provide frequency regulatory ANRT certificate per technology/band to submit the tender to allow goods to be shipped to Morocco?

**Answer 1:**
The National Telecommunications Regulatory Agency (ANRT) is competent for issuing licenses for the operation of radio networks in Morocco. ANRT Certificate for radio equipment is not required just for the purpose of submitting a tender. The selected tenderer will need to obtain the certificate subsequently before importing the radio equipment, but will be provided with all the necessary documentation and assistance from the Ministry of the Interior of Morocco (final user).

**Question 2:**
What are the payment terms?

**Answer 2**
Please refer to art. 26 of the Special Conditions and of the General Conditions of the contract for the payment conditions.
**Question 3:**
Do you accept letter of credit?

**Answer 3:**
The tender guarantee must be presented in the form specified in the annex 7.2 to the tender dossier.

**Question 4:**
To who belong the goods shipped to ICMPD or DGSN or others?

**Answer 4:**
The supply contract will be signed between the supplier and ICMPD. After delivery, the ownership of the goods will be transferred to the beneficiary, the Ministry of Interior of Morocco.

**Question 5:**
TETRA is one LOT why DMR and P25 are not separate LOT?

**Answer 5:**
Tetra equipment is in lot 1, DMR and P˜25 equipment is in lot 2 (separate lot).
